A. Overview of Information Collection

Title of Information Collection: Evaluation of Moving to Work Cohort 4 Landlord Incentives.

OMB Approval Number: 2528-New.

Type of Request: New collection.

Form Number: N/A.

Description of the need for the information and proposed use:

The Office of Policy Development and Research at the Department of Housing and Urban Development (HUD) is proposing the collection of information for the Evaluation of Moving to Work Cohort 4 Landlord Incentives.

Congress authorized HUD in 2016 to add 100 PHAs to the Moving to Work Demonstration and mandated that HUD use the expansion to test the impact of specific policies intended to improve the efficacy of PHA programs. The Moving to Work Cohort 4 Landlord Incentives will investigate whether offering incentives to landlords to participate in the Housing Choice Voucher (HCV) program will increase the number of participating landlords and improve the lease-up rate of households with a housing choice voucher.

This Federal Register Notice provides an opportunity to comment on the information collection for the Evaluation of Moving to Work Cohort 4 Landlord Incentives.

After OMB approval of the Paperwork Reduction Act package, Abt Associates will conduct the research over a 3-year period, including the following: conduct a baseline web-based survey of sampled PHAs, baseline site interviews with PHA staff, phone interviews with PHA staff, a

follow-up web survey with PHA staff, follow-up site visits at PHA locations, and interviews with landlords in sampled cities.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) If the information will be processed and used in a timely manner;
- (3) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (4) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (5) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.
